

This Privacy Policy describes how Shanghai Cuntu Technology Co., Ltd. (“Cuntu”) handles personal information we collect about users of our website at www.photovault.cn and our mobile applications (collectively, the “Service”).

Personal Information We Collect

Information You Give Us

We collect personal information you give us, such as:

Account information. We collect personal information when you create an account, such as your email address.

Account content. If you have purchased our Service, you can use and store photo and video data in the Service.

Transaction information. When you order paid versions of the Service we collect information necessary to complete the transaction, including your name, payment information and billing information.

Feedback and correspondence. You may share information with us when you respond to surveys, request customer support or otherwise interact with us.

Device data. You may choose to give us permission to access certain data on or components of your device, such as your photos, contacts, microphone and camera. You can always disable this access in your device’s settings.

Sensitive personal information

We will never ask you to send us or submit to the Service any information related to racial or ethnic origin; political opinions or union membership; religious or other beliefs; your health, biometric or genetic information; information about your sexual preference or sexual orientation; or information about your criminal background.

Information we collect automatically

Device and usage information. We use server logs, cookies and similar technologies to automatically collect information about your computer or device and how you interact with the Service. For example, we may record your application version, browser type, computer or mobile operating system, Internet Protocol (IP) address (a number that is automatically assigned to your computer or mobile device when you use the Internet, which may vary from session to session) and your unique device, application or advertising identifiers. In addition to information about your device, we collect information about how you interact with the Service, such as the page that referred you, your search terms, pages or areas of the Service you use or share, the time and duration of visits, features you used and links you clicked on.

Advertising

If you use an ad-supported version of the Service, advertising companies use cookies and similar technologies to collect information about how you use it, and to serve you ads tailored to your interests in the Service and elsewhere.

How We Use Your Personal Information

We will only use your personal information in ways that are compatible with the purposes listed below for which it was collected or as subsequently authorized by you.

To provide the Service

We use your personal information to provide and support the Service. As part of providing the Service we may send you service announcements, technical notices, updates, security alerts and support-related messages through the Service or by email. We may also communicate with you in response to your support requests, questions or feedback.

For research and development

We use the information we collect to better understand your interests and the Service, make improvements to the Service and to develop new features and services.

To create anonymous data

We may create aggregated and other anonymous data from our users' personal information. We make personal information into anonymous data by removing information that makes the data personally identifiable to you. We may use this anonymous data and share it with third parties to operate, understand and improve our Service, develop new services and for other lawful business purposes.

For security, compliance, fraud prevention and safety

We may use your personal information as we believe appropriate to investigate or prevent violation of the law or our Terms of Service; to secure the Service; to protect our, your or others' rights, privacy, safety or property; and to protect, investigate and deter against fraudulent, harmful, unauthorized, unethical or illegal activity.

For compliance with law; legal claims

We may use your personal information as we believe appropriate to (a) comply with applicable laws, lawful requests and legal process, such as to respond to subpoenas or requests from government authorities, (b) where permitted by law in connection with a legal investigation and (c) to prosecute or defend legal claims

With your consent

In some cases we may ask for your consent to collect, use or share your personal information with your consent, such as when we request access to your photos or other data through prompts in your mobile operating system.

How We Share Your Personal Information

Affiliates

We may share some or all of your personal information with our subsidiaries, joint ventures, or other companies under common control, in which case we will require those entities to honor this Privacy Policy.

Service providers

We may employ third party companies or individuals to provide services that support the Service (such as customer support, hosting, payment processing, website and mobile app analytics and email delivery). We authorize these service providers to use your personal information only as necessary in connection with providing their services to us. If we learn that a service provider is using or disclosing personal information in a manner contrary to this Privacy Policy, we will take reasonable steps to stop it.

For compliance with law; legal claims; security, compliance, fraud prevention and safety

We may disclose information about you as we believe appropriate to government or law enforcement officials or private parties (a) for the security, compliance, fraud prevention and safety purposes described above; (b) as required by law, lawful requests or legal process; (c) where permitted by law in connection with any legal investigation; and (d) to prosecute or defend legal claims.

Business transfers

We may sell, transfer or otherwise share some or all of our business or assets, including your personal information, in connection with a business deal (or potential business deal) such as a merger, consolidation, acquisition, reorganization, sale of assets or in the event of bankruptcy.

Your Choices

Access, correct or delete

If you have an account, you can access and update the personal information in your profile. Registered users may also contact us to request deletion of your account and personal information. We may

request information from you to help us confirm your identity and process your request. Applicable law may require or permit us to decline your request, such as where we need to retain your information for security, compliance, fraud prevention and safety, to comply with law or for legal claims. If we decline your request, we will tell you why, subject to legal restrictions. Once we process your request you will not be able to access your account or use the Service. When we delete any information, it will be deleted from our active database, but where permitted by law, may remain for a period of time in our backup files or other instances where deletion is not practicable.

Security

We use a variety of industry-standard technologies and procedures to help protect your personal information from unauthorized access, use, or disclosure. However, security risk is inherent in all information technology. Thus, while we use reasonable efforts to protect your personal information, we cannot guarantee its absolute security.
